

Confirmation Note on Participation Fee

Mr. Robert Poenaru

participated as a speaker at **16th International Conference on Nuclear Structure Properties - NSP2023** organized by University of Karabük on 8 - 10 May, 2023.

To help survivors of the massive earthquake happened on February 2023, participants were required to transfer a participation fee directly to the Ministry of Interior Disaster and Emergency Management Presidency (AFAD) bank account specified at the conference web page.

We confirm that this participant paid a **75 €** respective fee and eligible for possible compensations that may be granted by his or her affiliated institute(s) / company(s).
